We welcome you to get creative with your ads! Consider taking an ad in memory or honor of a pet or loved one; congratulate our honoree or someone else who has done great things to help the animals of our community and beyond; advertise your business for all of Westchester's animal lovers to see. Consider sponsoring one of our shelter animals in an ad. We provide the photo and the description of one of our animals who is looking for a new home. Space is provided for 2 lines of your own text and your name or company logo! A great way to help our animals find a forever home!

Please check here if you have advertised with us before and would like to use your ad from any of our past five years. Indicate the year that the ad was placed, and if there are any revisions needed:
